Enclosure No

In forwarding herewith, in original, the connected records, received from the President, Town Municipal Council, Tumkur, on the above subject, I have the honour to state as follows -

Government were pleased to accord sanction to the distribution of grants in their order No L 7630-43/M1 102-42-76 dated 4/2/43, for the following works -

1 Formation of a park in the bed of balanakatte Rs 1000/-
2 Formation of the Horapet Circle 1650/-

The President now states that the Municipal council have resolved at their meeting held on 30/4/43, that as the funds provided for the formation of a park in the bed of Balanakatte tank is inadequate and also in view of the fact that the formation of the Horapet circle, entails heavy expenditure of over Rs 15,000/- towards acquisition costs and improvements (as a number of houses have to be acquired) to utilise the Government grant of Rs 1650/- given for the formation of

6388

formation of the Horapet circle, towards this work after obtaining due sanction of Government.

In this connection, I may state that the bill for R 1000/- being the Government grant for the formation of a park in the bed of the Balanakatte has been countersigned by me and returned to the President, with instructions to draw and credit the same to Municipal funds, as per recent rules, for drawing Government grants and utilise it The bill for Rs 1650/- for Horapet Circle is also countersigned and sent for drawing the grant

I request that orders of Govermnent may be kindly obtained in the matter very early I have, however, instructed the President, not to utilize it until specific sanction of Government is obtained on the proposals sent by him

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District
